C. L. BITTINGER,
Editor and Business Manager.

R. R. CARROLL, City Editor.

Entered at the Ocala Postoffice as second class matter.

Warren Smith, of Belleview, one of the best farmers in Marion county, is in favor of a three-strand wire fence as a legal one and to compel hogs and goats to be kept fenced in fields. He was discussing it with Buford Leitner Saturday on the sidewalks of the Brick City. Mr. Leitner did not agree with him, but admitted it was a hardship on the thrifty farmer who made every lick of work on his farm tell.

W. M. Waterman, of the Blitchton Lumber Co., Blitchton, Fla., made this office an appreciated call this morning. Mr. W. is the junior member of the firm. His partner, T. A. Dye, is operating a big saw mill in Arkansas. The Blitchton mill is a mile and a half from the Standard Phosphate switch, over which all their products are forwarded to Jacksonville. This institution is just fairly started, but intends to take out a wide swath of lumber ere its machinery is moved. He is at present located in Mr. Ben Blitch's timber.

T. W. TROXLER.

There is consternation among those patronizing the almond-eyed laundrymen in Jacksonville and proprietors of the Wash-Washee in that city, because the United States government is after these same laundrymen to ascertain if they are in possession of the proper papers to permit them to remain this country. In consequence nearly all the Chinese laundries are closed.

CAPITOL REMOVAL COMMENT

Opinions of the State Press—Straws that Show Which Way the Breezes Blow

What Does It Mean?

The plan for the meeting to be held at Deland by the Jacksonville Capitol Removal Association has got into a tangle. The secretary of the committee wrote to the mayor, and in his absence it was given to the acting mayor, who is a republican. He attempted to appoint committees, when he was called down by his party leaders, and the appointments withdrawn.—Gainesville Sun.

Ocala is the Center

If the state capitol must be moved, should it not be placed as nearly as possible in the geographical and population center? We think so, if the movement is in the people's behalf.—Levy County Times-Democrat.

Ocala Gaining Favor

We have received so far circulars setting forth the claims of Jacksonville, Ocala and Tallahassee for the state capital. Jacksonville presents some good reasons why the capitol should be located there, but of all the flimsy claims we have ever heard of Tallahassee takes the cake.

Ocala has given the matter due consideration and every claim she makes looks substantial and she is rapidly gaining public favor throughout the state.—Seabreeze Breeze.

HIS LIFE WAS SAVED

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. Regular sizes 50 cents and \$1. Trial bottles at 10 cents at Garrett & Gerig's and all other drug stores; every bottle guaranteed.

CANCER IS NOT INCURABLE

Time was when Cancer was considered as incurable as leprosy.

Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood—is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters. The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe and stubborn form of the disease may develop from a sore or ulcer on your tongue or other part of your body; a slight bruise or hurt, a little pimple on the eyelid, lip

or nose, a small lump on the jaw or breast, a harmless looking wart or mole, and other causes so insignificant as to attract little or no attention. If you have an obstinate sore, don't rely upon salves or ointments to cure it—begin with S. S. S. at once; it will cleanse your blood and prevent the formation of cancerous cells.

Mr. R. Shirer, La Plata, Mo., writes: "A small pimple came on my jaw about one inch below the ear on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious until the jaw began to swell and became much inflamed. At the same time the sore began to spread and eat into the flesh, and gave me intense pain. I tried everything I could hear of, but nothing did me any good. I then began the use of S. S. S., and after taking several bottles the Cancer healed, and there is now no sign of the disease. This was two years ago, and I am still enjoying perfect health."

Send for our special book on Cancer; it contains much information that will interest you; it is free.

Write our physicians about your case, and for any advice or information wanted; they have made a life study of Cancer and all blood diseases. We make no charge whatever for this.
